HOPE Appeal 2008

Just to let you know, the 2008 HOPE Appeal Commitment weekend will be on Saturday and Sunday, April 19/20, 2008. All families will receive a letter from me asking for support. Last year your gifts to the HOPE Appeal surpassed St. John's goal by \$12,032 resulting in a rebate payment to our parish of \$6,016! Once again we are most thankful to all who supported our effort in 2007 and hope that your support will make us successful this year, too. Your positive interest in and generosity towards the good works provided through the HOPE Appeal in our area each year indicates the sensitive spirituality that exists in our parish. God bless you all for what you do for St. John's.

Defibrillator Trainees

Our thanks to the seven (7) volunteers who have already responded to our plea for emergency medical people who would be willing to act during emergencies requiring the use of an automatic heart defibrillator unit. We still need volunteers for the following Masses: Saturday Vigil, Sunday 7:30 and 9:00 AM. You will be trained in this life-saving procedure. You do not have to be a medical professional or hold a certification to volunteer. Please give this request serious consideration as your decision to participate could save someone's life. We need more volunteers to be trained so all Masses can be protected. Training consists of three (3) classes and includes C.P.R. and use of the defibrillator which is automatic in operation with verbal commands. Yellow sign-up forms can be found at the entrances.

"He was made known to them in the breaking of bread."
