**— ABOUT —**

*Angels Among Us*

*Angels Among Us, St. John the Evangelist Social Ministry is rooted in the values of peace, justice, and love as preached by Jesus Christ. Striving to act as Jesus would and empowered by the Holy Spirit, we reach out in faith, prayer and service to all, while continuing our spiritual growth.*

*Our Catholic social teaching calls on us to protect human life, promote family life, pursue social justice and practice global solidarity. We pray for a recommitment to the most vulnerable among us; an end to hunger and poverty, racism and violence. Our faith commits us to the life and dignity of every human person.*

*The existence of angels is a truth of the Catholic faith. Angels assist every human being during their journey of human life. By acknowledging that angels accompany us on our life's journey, we express our faith in God's presence with us.*
