April is Child Abuse Prevention Month

It is every adult’s moral responsibility to protect possible victims by reporting the suspected abuse or neglect to the responsible authorities. Sexual abuse of minors is a pervasive societal problem and only concerted and sustained efforts by all adults in every segment of society can help to protect children and youth. To report a case of sexual abuse in our Diocese, please contact Nuala Collins, Diocesan Assistance Coordinator at 315-470-1465. It is with your help and concern that we are continuing to provide awareness for the safety of our children.
